

Globalisation of Islam

In the name of Allah most gracious most Merciful.

All thanks be to Allah. We seek His help and forgiveness. It is Allah we ask to guard us against the evil within our selves, and guard us against the worst of our deeds. This who is guided by Allah will not be misguided. And this who is misguided by Allah will not have a guide. I bare witness that there is no other god but Allah, who has no associates. I also bare witness that Muhammad (PPBU) is his slave and messenger.

Allah says: {O you believers fear Allah His deserving fear. And only die as Muslims} 3-102

Allah also says: {O people fear your God who created you from one soul, and from it He created its soul mate. And from them he transcended many men and women. And fear Allah about whom you shall be questioned and about the kin relations. Surly, Allah is ever the all watcher over you.} 4-1

Allah also says: {O you who believe, fear Allah and always speak appropriately and say the right thing, He will make right your deeds and will forgive you your sins. And whosoever obeys Allah and His messenger has indeed been a winner of a great victory}

The most truthful words are those in Allah's book, and the best guidance is the guidance of Muhammad (PPBU), and the worst of all matters are the innovated matters, and each innovation is a new addition, and every addition is a misguidance, and each misguidance is in Hellfire.

Dear respected brothers; at the start of this Friday talk I put the spotlight on to one topic or one cause. We shall try to understand it as our early ancestors did understand it. The topic is the Globalization of Islam.

You may have noticed that I have selected this topic intentionally because of all those hurtful events that our nation is passing through these days. And it is I who keeps on repeating that all true preachers should not be with all their speeches and ceremonies on one side, and the nation be with its problems and wounds on the other side. Consequently I have selected this topic of introducing the globalization of the Islamic religion.

Dear beloved, Islam is the greatest mercy and kindness which Allah didn't select just to reward the Arab nation but for the entire humanity to be happier in this life and the life next. Islam is the only religion Allah is satisfied with to be for all inhabitants of the earth, and indeed all inhabitants of the heavens. Allah says: {the religion as far as Allah is concerned is Islam} 3-19. That is why the message sent with all prophets and messengers by Allah was Islam. Starting with Prophet Noah as he says according the Koran: {and I was commanded to be the first of all Muslims.} 10-72.

With regard to prophet Abraham Allah says: {And who turns away from the religion of Abraham except him who fools himself? Truly, We chose him in this world and verily, in the Hereafter he will be among the righteous. When his Lord said to him: "Submit, or be a Muslim" He said: "I have submitted my self to the Lord of the worlds". And Abraham enjoined his sons advising them: "O my sons, Allah has chosen for you the true religion, then die not except in the faith of Islam"} 2-130..132.

Jacob was also sent with the same faith: Islam. Allah says: {OR were you witnesses when death approached Jacob? When he said unto his sons: "What will you worship after me?" they said: "We shall worship your God, and the God of your fathers Abraham and Ishmael and Isaac. One God, and to him we submit or we are Muslims"} 2-133.

About prophet Joseph, Allah say: {My Lord, You have indeed bestowed on me of the sovereignty, and taught me some of the interpretation of dreams. O Creator of the havens and the earth, you are my protector, supporter and guardian in this world and in the Hereafter. Make me die as a Muslim, and join me with the righteous}. 12-101

Allah says describing the Queen of Saba'a (Yemen) reading prophet Solomon's letter: {She said: "O chiefs, Here is delivered to me a noble letter. It is from Solomon, and it reads: In the name of Allah, the Most gracious, The most merciful. Be you not exalted against me, but come to me as Muslims.} 27-29..31. One day after she became a Muslim Allah says: {She said: "My Lord, I have wronged myself, and I submit and become a Muslim with Solomon to Allah the Lord of the worlds} 27-44.

About prophet Moses Allah says: {And Moses said: "O my people, if you have believed in Allah, then in Him you trust if you really are Muslims"} 10-84.

About sending Jesus; Allah says: {Then when Jesus sensed their disbelief, he said: "Who will be my supporters in Allah's cause?" The disciples said: "We are the supporters of Allah. We believe in Allah; And do bear witness that we are Muslims"} 3-52.

Indeed, the religion of the Jinn is Islam too. The Jinn say in Allah book: {Some of us are Muslims and some of us are disbelievers. Those who became Muslims are those who sought the right path; while those who disbelieved will be fuel for the Hellfire.} 72-14..15.

To His prophet Muhammad (PPBU) Allah says: {This day, I have perfected your religion for you, completed My favour upon you, and I have chosen fro you Islam as your religion} 5-3.

Allah says: {And whoever seeks a religion other than Islam, it will never be accepted from them; And shall be with the losers in the life after} 3-85.

Islam is the religion of those inhabiting the heavens and those inhabiting earth. Not just the religion of the Arabs, or just the Muslims; The entire humanity. Indeed, the human race has become in a desperate state, and lost in the dark since the war was declared against Islam. Only since the day this nation deviated away from this religion that was accepted by Allah for humanity. When the nation deviated it received the taste of fear, horror, dismay, worry, grieve and anxiety, gloom and sadness.

The entire world is denied the mercy of security. In fact, millions are awaiting death each moment. Despite a few lights shining here and there, yet the world is denied the mercy of stability, peace and good life, peace of mind. All this is the result of deviating away from this religion. Humanity will never be happy unless it returns to this godly system accepted by Him of humans. It is ignorance and a transgression to accuse this religion Islam with extremism, terrorism, inactivity, backwardness, brutality and savagery.

The Muslim military leader (Obeida Ebn Al-Jarrah) sent for the opinion of the Khalifa Omar Ebn Al-Khattab when one of the Muslim soldiers gave a promise containing a commitment of peace and security to an entire town in the country of Iraq. This was done without consulting with his superiors. Omar sent back an express reply saying that Allah values highly keeping a promise. And we shall only be honored when we honor the promises we make to them. And ask for Allah's help to overcome them.

Notice the two points in this: the first is that Omar that the honor of an individual Muslim is valued just like the honor of his leader or the county's leader. There is no difference a soldier or a leader when a promise for security is given is has to be honored. The messenger said: {All Muslim blood is equal and the honoring of promises flows from the lowest to the highest amongst them}

The second is that there is no honor until we honor our undertakings and our promises. Omar materialized this ethic into a practical reality. Islam does not lock away its ethics as the united nation does lock away the human rights in its offices and drawers. Islam does not just put up words that it does not practice

as the French revolution did about the ideology of human rights and security of all people when the French law prevented half the population from voting. Considering the poor citizen to be a negative individual having no right to vote.

The Islamic civilization did not put away its theories as the western civilization in America is doing. You may come face to face with the statue of liberty in New York while at the same time America is crushing the free men and women every where on the face of this earth. Islam does not know theoretical rules and standards. Islam transforms each theoretical standard to way of life in full reality in clear glory and elevation. The Mustafa (PPBU) said: {with an oath to Allah, if Fatima, the daughter of Muhammad stole, I would have her hand cut off}.

Islam is the faith of mercy, forgiveness and fulfillment and honoring of promises. This nation must concentrate all its energies, resources, capabilities and money to serve this religion. The entire world need now needs to know this religion in its true picture. Everyone at the hands of Allah, will be asked according to his/her ability. Express your self with your words, through your money. Express your belonging to this religion through your time and your effort or your mind.
